Subject: CyberTax 2013-06: IRS plans for accepting additional forms, Debit Cards

The Internal Revenue Service announced Friday that taxpayers will be able to start filing Form 8863 Education Credits starting February 14. The IRS also announced it will start accepting the remaining forms affected by the January legislation the first week of March. The attached IRS Press Release (IR-2013-18.pdf) contains some additional information.

Also attached is AARP Foundation information regarding debit cards for those volunteers who have taxpayers who may be interested.
